## **ABOUT OUR FACILITY**

Magical Movements is located on the corner of Halstead Avenue (Harrison's main thoroughfare) and West Street. We are easily accessible from major highways and many Westchester towns and cities. Parking is plentiful, and we are in walking distance of stores, eateries, and more. The 2,000+ square foot facility has a spacious mirrored dance studio, private dressing room, waiting area with closed circuit TV system, kitchen, and bathrooms, all which are air-conditioned. Magical Movements School of Dance offers children and their families a cheerful, safe, friendly environment.

## **ABOUT OUR DIRECTOR**

Linda Francica Laraqui received a BA, magna cum laude, from Manhattanville College in Dance and Theatre. Throughout the years, she has received many awards and honors for her achievements in the performing arts. Before opening Magical Movements, Linda worked with children at studios, pre-schools, and various programs across Westchester County. Linda danced on MTV's Direct Effect, studied voice, and appeared in a TV commercial. With a childhood dream and the guidance of her entrepreneurial dad, Linda opened Magical Movements School of Dance in September 2003. She not only directs the studio, but teaches actively, entertains at birthday parties, runs the summer camp, coaches and choreographs *The Shooting Stars*, Magical Movements' preteen-teen company.
