### **ABOUT OUR FACILITY**

Magical Movements is located on the corner of Halstead Avenue (Harrison's main thoroughfare) and West Street. We are easily accessible from major highways and many Westchester towns and cities. Parking is plentiful, and we are in walking distance of stores, eateries, and more. The 2,000+ square foot facility has a spacious mirrored dance studio, private dressing room, waiting area with closed circuit TV system, kitchen, and bathrooms, all which are air-conditioned. Magical Movements School of Dance offers children and their families a cheerful, safe, friendly environment.

### **ABOUT OUR DIRECTOR**

Linda Francica Laraqui began her performing arts training at 7 years-old. She continued her studies at Manhattanville College, majoring in Dance and Theatre. Linda performed in the works of Andrea Del Conte, Nicholas Leichter, Treva Offut, Valerie Pullman, Beth Soll, and Lance Westergard. She was president of the college's student dance organization for two years. During this time, Linda danced on MTV's Direct Effect, studied voice, and appeared in a TV commercial. Linda graduated with a Bachelor of Arts degree, magna cum laude, departmental and portfolio honors. She worked with children at studios, pre-schools, and artistic programs across Westchester County. With a childhood dream and the guidance of her entrepreneurial dad, Linda opened Magical Movements School of Dance in September 2003. She not only directs the studio, but teaches, entertains at birthday parties, coaches and choreographs for *The Shooting Stars*, Magical Movements' preteen-teen company.
